Volunteer Month

April is national volunteer month and we have been blessed with some great volunteers. We don't have a formal recognition program, but all of your efforts are most appreciated. These efforts help to make this organization viable and able to provide needed equipment to those living with ALS in our area and to support much needed research. We have been able to provide equipment at no cost to families for the past 25 years and hope to be able to continue this practice without any financial means testing.

So huge heartfelt thanks

To: Pat Szucki and family who work so hard on the Windsor ALS Walk and other events.

To: Ryan Van Praet and family who have developed the Stubborn Buffalo Series of the Spinathon, Golf Tournament and Run/Walk that take place in Chatham.

To: Solange Ward, Linda Scaife and Patty Morgan who continue to work on the bingo committee.

To: Windsor Area Street Rods, 12.13 Productions and the Windsor Corvette Club who are all hosting events that will benefit our organization.

The Stubborn Buffalo Spin-a-thon took place February 7th in Chatham. Just over \$2500 was raised. The 2nd Annual A V P Golf Tournament will take place July 11th. For more info contact Ryan swimbikerunryan@yahoo.ca
